Quality Guarantee

As Australia's most innovative and foremost business college, we are proud of what our clients are achieving in our programs – programs designed specifically for business owners and their teams. With most participants achieving outstanding results, it is our pleasure to present to you our NCB Quality Guarantee.

Guarantee #1

If, at the end of the first day of your program, you don't see value in continuing, this Quality Guarantee ensures that your initial investment will be refunded within 14 days and all paperwork that you have completed will be removed from the system.

Guarantee #2

If, after you complete the entire program, your business has not achieved a minimum 100% return on your investment in at least one of the following areas, we will refund 100% of your investment:

- Increased annual turnover
- Improved business systems
- Added value to your business
- Reduced cost

To qualify we ask just two things:

- You must attend every session; and
- Implement the key components from each session.

It's a fabulous, risk-free opportunity not to be missed!
